

Technical Details

| | |
|-------------------------------|---------------------------------|
| Glazing | 8+1.52 pvb+8 mm laminated glass |
| Max. size for single system | 6000x1000 mm (three modules) |
| Max. width for single module | 2000 mm |
| Max. height for single module | 1000 mm |
| Aluminum base profile | 70x95 mm |
| Surface finish | Electrostatic powder-coating |
| Lighting operation | Switch, remote control options |
| Automation | N/A |
| Led Stripe Dimmer lighting | optional |
| Control unit | optional |
| Hand rail | optional |

* N/A (not available)
